3. Information Disclosure Statements (PTO/SB/08), Paper No./Mail Date 4. Examiner's Comment Regarding Requirement for Deposit	Paper No./Mail Da 7.	ate ment/Comment ent of Reasons for Allowance

DETAILED ACTION

Notice to Applicant

1. Applicants' Amendment and Response to the Office Action mailed on May 25, 2007 has been entered and made of record.

Response to Amendment

2. In view of applicants' amendments and arguments filed on August 16, 2007, the rejections of claims 1 and 2 under 35 U.S.C. 102(b) as stated in the indicated Office Action have been withdrawn.

Reason for Allowance

3. Claims 1-3 are allowed.

The following is an examiner's statement of reasons for allowance: claim 1 recites mixing a metal salt of an alkoxybenzenesulfonic acid as an oxidizing agent, with an electrically conductive polymer in a solvent.

Claim 3 recites wherein the oxidizing agent is a mixture of at least a metal alkoxybenzenesulfonate and a metal alkylsulfonate.

These features in combination with the other elements of the claims are neither disclosed nor suggested by the prior art of record.

Claim 2 depends from claim 1, so it is allowed for the same reason.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
